

BIOGRAPHY – Katelin Roberts, General Partner/COO at MedMountain Ventures, and Executive Director at BioHive Utah

Katelin Roberts serves as the Interim Executive Director for BioHive, the collective representing Utah's life sciences and healthcare innovation ecosystem. BioHive exists to promote the life sciences and healthcare innovation community in Utah and beyond and serve as a catalyst and connector within the region. Roberts has spent her career in various operations roles across multiple industries. In addition to serving a temporary role for BioHive, Roberts is a General Partner at MedMountain Ventures (MMV) a seed-stage healthcare venture fund and is also CEO of LineLogic, one of MMV's portfolio companies.
