

MAJA ROSENQUIST LEED AP

SENIOR VICE PRESIDENT

OVERVIEW

Maja is a Senior Vice President with Mortenson, one of the nation's largest commercial general contractors and real estate developers, with annual revenues exceeding \$5 billion per year. Maja is responsible for oversight and support of Mortenson's Colorado, Arizona, and Utah offices. She is involved with many organizations in the Denver community, including those supporting the advancement of healthcare delivery and other civic improvements.

Maja is a native of Washington State, but has lived in Colorado for close to 20 years. Since starting with Mortenson in 1994, she has worked in Washington, Minnesota, Texas, California, Arizona, and Colorado. Maja attended the University of Washington, where she earned her degree in Construction Management. Outside of her career, Maja's husband Mark and three children (Davin, Kyla, and Kjell) keep her incredibly busy with sports, camping, and other recreational activities.
